

BOSS Limited Warranty

What the Warranty Covers:

BOSS Products, a division of The Toro Company, warrants that its products will be free from defects in materials and workmanship for the time periods set forth below. If within the warranty period the product is found to be defective, BOSS Products will, at its sole option, repair or replace the defective item at no charge.

Who the Warranty Covers:

This warranty applies only to the original purchaser from BOSS or an authorized BOSS dealer. Warranty is not transferrable.

Warranty Period:

- Complete Product: 2 years parts and labor from the date of purchase.
- Parts and Accessories: Parts scheduled for replacement as routine maintenance are warranted for the period up to the scheduled replacement time. All other parts, as well as product accessories and shovels, are warranted for 1 year from the date of purchase (no labor).
- Engines: Engines are not covered under this warranty. The engine manufacturer typically provides its own engine warranty and/or special emissions system warranty. Please refer to the engine manufacturer for details or to find the nearest authorized engine dealer:
 - Honda: <https://engines.honda.com/dealer-locator>
 - Kohler: <https://engines.kohlerenergy.com/en/dealers>

The warranty period for any item repaired or replaced pursuant to this warranty shall be the remainder, if any, of the original, defective product's warranty period.

Owner's Responsibilities:

It is your responsibility to follow the maintenance procedures described in the Operator's Manual. Such routine maintenance, whether performed by an authorized BOSS dealer or you, is at your expense.

How to Obtain Warranty Service:

To obtain warranty service, return the defective product to an authorized BOSS Dealer (preferably the one from whom the product was purchased) within the warranty period. You must be able to verify the original purchase date. To locate the authorized BOSS dealer nearest to you, call 800-286-4155 or use the Dealer Locator at www.bosspow.com/en/locator.

Items and Conditions Not Covered:

Not all failures or malfunctions that occur during the warranty period are defects in materials and workmanship. This warranty does not cover:

- Cost of regular maintenance or parts consumed through normal use but are not defective, such as batteries, spark plugs, fuses, filters, lubricants, hoses, plow shoes, cutting edges, pins, nuts, bolts, gaskets, bearings, belts, blade guides, lights, tires, etc.
